MEMORANDUM FOR: Director of Central Intelligence
VIA : Director, National Foreign Assessment Center *ERB.*
FROM : Coordinator of Academic Relations
SUBJECT : DCI Dinner on North-South Relations With
Professor

25X1

1. Action required: Determination of a date for the next DCI dinner and approval of the format proposed (in paragraph 3 below).

2. Background: Impetus for this dinner project came from your meeting with the NIOs on 28 September when you called

25X1

3. Format proposed for the dinner: The plan we used for the Population Dinner was not wholly satisfactory. The following suggestions are freely adapted from the models employed by the Woodrow Wilson International Center for Scholars and the Council

on Foreign Relations in New York.

- 5:30 - 6:00 Those invited assemble. Tea, sherry, and tomato juice are served.
- 6:00 - 7:00 First session. Visiting authority makes his presentation. One or more of us, by prearrangement, offer critique. General discussion follows if any time remains.
- 7:00 - 7:30 Dinner is served. Conversation is general.
- 7:30 Second session begins (possibly when dessert is served). General discussion resumes and continues until preferred closing time (9:00 or later).

This format provides for a more leisurely beginning and for several changes of pace. It also allows our guests and commentators to make their remarks to people who are not eating while they cannot. And there is a more relaxed postprandial period for general discussion.

4. Recommendations:

a. That one of the following dates be chosen for the dinner:

Tuesday, October 25
Wednesday, October 26
Friday, October 28
Monday, October 31
Wednesday, November 2
Friday, November 4

b. That the format suggested in paragraph 3 above be approved for a trial run.
